4 on 4 Box Lacrosse Tournament

Thursday, December 29, 2011

You are invited you to our 1st Annual WINTER BLAST Tournament.

Winter Blast is a four on four, one day tournament geared at bringing together great competitors from across Southern Alberta to get the sticks active over the Christmas Break. The tournament will take place at the National Sport Development (NSD) Facility in the heart of Calgary (7475 Flint Road SE, Calgary, AB). Teams will consist of six players and one goalie. Each team is guaranteed three games and each division will have a championship game. PeeWees will be scheduled to play in the morning, Bantams in the mid-afternoon and Midgets in the evening. Games will consist of 25 minute run-clock time.

Registration is open to all players at the PeeWee, Bantam and Midget levels. Register as a team, or as an individual player. Players registering as individuals will be assigned to a team by the tournament organizers. Every player will receive a jersey that is theirs to keep!

There will be door prizes and Junior A Mountaineers merchandise available for sale at the event. Refreshments will be available for sale on site through the NSD facility.

To take part of this exciting opportunity please complete the registration form below and submit to Rick Windl or Laurie Houghton by end of the day December 14, 2011.

Registration is limited to 6 complete teams for each age group so register early to avoid disappointment.

Any questions or concerns can be directed to Rick Windl (windl@shaw.ca) or Laurie Houghton (houghtons@shaw.ca).

We are the perfect lacrosse event for the Christmas break. Come out, get active and play some lacrosse.
